Stay in groups, do not separate. The constitution is your permit to carry. God given right. Shall not be infringed.

They govern only by consent of the governed. I do not consent to be governed by tyrants.

Feds, I'm speaking hypothetically here, what is to guarantee someone coming down to DC, with their rifle and plate carriers with the boys, the promise that others will be doing the same in HUGE numbers and for a place to link up. This can't be done ad hoc if someone truly wants to organize this. I have no real connections with other non immediate friends like a proud boys type network, even if I wanted to do this. That's a stop gap that's hard to fill if someone really wanted to do this.

Exactly. This would only work if we knew for CERTAIN everyone else would open carry hot and we all arrived at the same time in tightly knitted groups.

Is it illegal to carry a rifle case, empty of course!!!, in kit without illegal magazines for DC on you? Can you be stopped and forced to show its contents? I like to carry my lunch in them. I wouldn't do this but it's quite the bluff for someone to call on you. Hypothetically asking since this is what the left does.
